

Guidewire print quote feature is now available for personal property

After your feedback on your experience using the print quote feature in our personal auto business, we are now pleased to share that we're making the same feature available for personal property. This enhancement is now available in Guidewire and will help streamline the quoting process. You can now generate a quote summary directly in the documents tab after initiating a quote, making it easier to review and print.

If you have any questions, please contact our National Underwriting Operations Centre at 1-844-974-GORE (4673).
